LA PORTE, Texas -

A La Porte man is facing charges after allegedly being in possession of methamphetamine and a stolen handgun.

Christopher Hull, 28, is charged with possession of a controlled substance and possession of a firearm.

La Porte police said they received calls around 2:30 p.m. March 28 of a suspicious person in the 3800 block of Redbud Drive trying to open vehicle hoods.

Officials said they found Hull and he appeared to be under the influence of an unknown substance.

Authorities said a K-9 officer searched Hull's vehicle and found 0.6 grams of methamphetamine.

Officers said they also found a stolen handgun, jewelry, silverware and burglary tools. The gun was one of about 75 weapons that were stolen from an Academy store in Katy, according to La Porte police.

Hull was taken to the La Porte Jail.
